

Good morning People!

24 August 2026

Not sure if everyone realizes this, so I wanted to get out ahead of it and clarify our schedule for October.

Due to the Dolan Days event on October 3rd, the Dolan Springs Community Council Board and Member meetings were moved back one week to accommodate the festival.

However, our Lake Mohave Ranchos Fire Department is having their annual Support OUR Fire Department pancake breakfast on October 10th from 10 AM to noon. Our Board has zero desire to compete for attendance—because who am I kidding? A dry business meeting versus hot pancakes? I'm no fool, pancakes win every time! More importantly, we as the DSCC, both as an organization and as individuals, want to show our full support for this awesome cause and our local firefighters!

So, the DSCC Board has unanimously agreed it's much better for everyone to meet in the afternoon on a full belly!

For the **October 10th** meeting

- **DSCC Board Meeting:** 1:00 PM
- **DSCC Member & Public Meeting:** 3:00 PM

This is an important meeting, people! In case you didn't know, members must be signed up and current as DSCC members no later than October 31st if they want to participate in nominating candidates during our November meeting and voting for the open Board seats coming up this year.

Also, if you are even remotely considering running for a President or VP seat down the road, getting your membership active by October is step one! As my favorite cliché goes: "*If not me, then who?*" If you want to help your community where your home is—**Be the Change!**

Want Change? — Be The Change!

Now is your chance to join our cause and help guide the future of our hall and community! We have open Director at Large seats coming up this election cycle.

If you are interested in stepping up to run for a Director position, here are the simple requirements to be eligible:

- **Current DSCC Member:** You must be a paid-up member in good standing recorded by the October meeting cutoff.
- **Age:** You must be 18 years of age or older.
- **Local Resident:** You must reside in our local community/service area.
- **Accept Nomination:** Be nominated (or nominate yourself) and accept the nomination at our November meeting.

(Note: These open positions are specifically for Director at Large seats, which means you do not need a full year of prior membership or specific meeting attendance counts like officer roles require—it's the perfect entry point to get involved!)

Come eat some pancakes in the morning, support our fire department, and then join us at the hall in the afternoon!

Thank you for your time.

Sincerely

Linda Buda

President

Dolan Springs Community Council
